

11 Kg Hanging Cone Feeder CTXX0109001

Capacity

- ◆ Recommendable use: 33 broiler chicks.
- ◆ Optimal use: 10 broiler chicks since 10 days old until they finish the cycle.
- ◆ Storage capacity 11 kg. or 24 pounds.

Characteristics

- ◆ 3 types of height adjustment to adapt to all types of food

Advantages

- ◆ Conic base that allows the descent and distribution of food.
- ◆ No tools or extra hardware needed – easy installation and maintenance.
- ◆ Protects feed from damage by preventing birds from roosting on the feeder.
- ◆ Specialized Design plate with safety flanges to prevent food spillage.
- ◆ Aluminum solid suspension bar that avoids oxidation and food accumulation in the interior of the rod.
- ◆ Reinforcement system in the hopper.
- ◆ Lower cost comparing to the automatic feeders.
- ◆ After sales service and availability of spare parts.

Cleaning System

- ◆ Easy to clean and disinfect when required.

Material

Made of impact resistant, high quality conditioned polyethylene with UV, UVR protection and antioxidants that provides longer life in any environment.
